- Diplomatic history deals with the history of international relations between states. Diplomatic history can be different from international relations in that the former can concern itself with the foreign policy of one state while the latter deals with relations between two or more states.

Diplomatic history - Wikipedia -

- " Secret Diplomatic History of the Eighteenth Century," which they promised to publish at an early date. Mrs. Aveling did not live long enough to see these papers through the press, but she left them in such a forward state, and we have had so many inquiries about them since, that we venture to issue them without Mrs.
